

PRE-MARITAL COUPLE COUNSELLING

AIM: Pre-marital counseling service aims at preparing a good foundation for prospective husband and wife to have a happy and harmonious marriage in future.

- Content: Marriage expectation, Communication skills, Self understanding, In-law relationship, Sex life and family planning

Using PREPARE ENRICH during the progress can:

- 1. Explore your Relationship Strength and Growth Areas;
2. Strengthen your communication skills, including assertiveness and active listening;
3. Resolve your conflicts using the Ten Steps Procedure;
4. Explore your relationship & families-of-origin issues with the Couple & Family Map;
5. Develop a workable budget and financial plan;
6. Develop your personal, couple and family goals

* You are welcome to seek further counseling service should you feel needed.

Requirement: Couples who planned to get married within 1 year.
The couple needs to attend the service together.
